Diagram Legend

	2.7m	Full Extension
A Canopy height when deployed	295mm	
B Wall Bracket length	526mm	
C Space from Wall Bracket to Wall Clip	441mm	
D Gap from Wall Clip to ground (recommended distance)	1209mm	
E Wall to Centre Hub distance (456mm Shadowreach adjustment)	1419mm	1875mm
F Wall to outer Canopy Edge (456mm Shadowreach adjustment)	2609mm	3065mm
G Ground to Centre Hub (recommended distance)	2014mm	
H Ground to Canopy Edge (recommended distance)	2166mm	
I Closed Umbrella depth	300mm	
J Wall Bracket width	95mm	
K Closed Umbrella width	130-150mm	
L Canopy flat-to-flat measurement	2300mm	
M Canopy point-to-point measurement	2700mm	

Note: Fastenings are not supplied for the Wall Mount Bracket.

All sizings and conversions are +/- 2.5mm and are subject to change without notice. We recommend commercial installations use metric measurement for any umbrella spacing to ensure accuracy. The above dimensions make the assumption that you have installed your umbrella at the recommended installation height on your wall. If you have installed your Retreat lower or higher than recommended, you will need to add that difference to the above measurements.

Price: \$1,790 Inc GST
